

# USER INTERFACE DESIGN

Figure 1 : Login Page

The image shows a standard login window with a title bar that says "Login Page". The window has a light blue background with a subtle diagonal gradient. It contains the following elements:

- A text input field labeled "Username".
- A text input field labeled "Password".
- A button labeled "Login".
- A link labeled "Forget Password" located below the "Login" button.

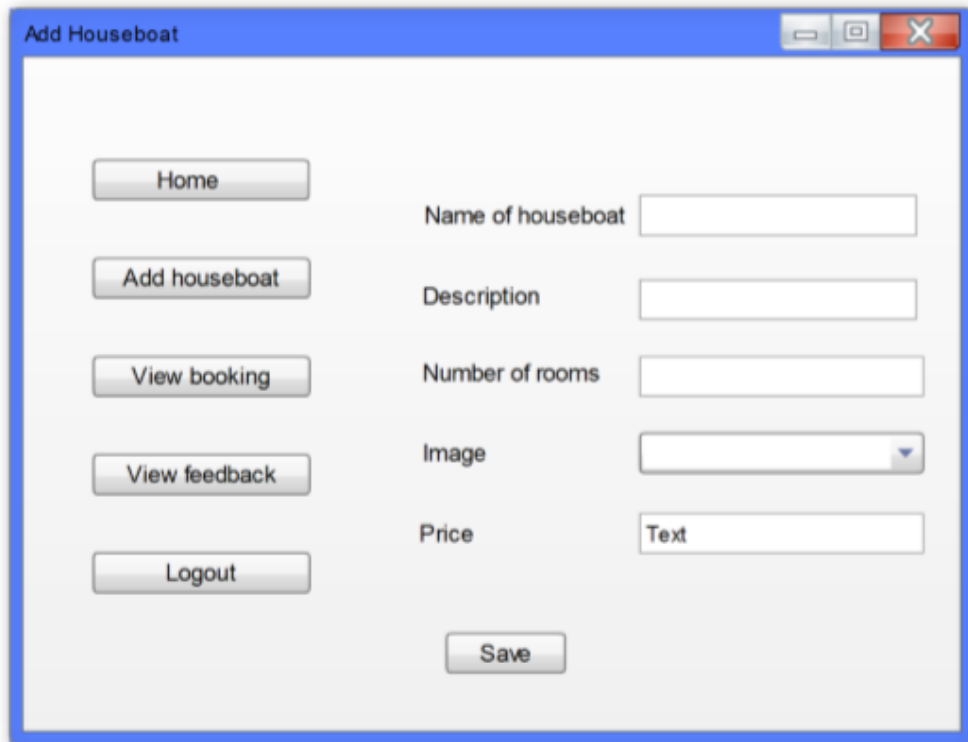

Figure 2: User Registration

A screenshot of a 'User Registration' window. The window has a blue title bar with the text 'User Registration' and standard window controls (minimize, maximize, close). The form is light gray and contains the following fields and controls:

- First name: text input field
- Last name: text input field
- Date of birth: text input field
- Gender: radio buttons for 'Male' (selected) and 'Female'
- District: dropdown menu with 'choose district' text
- phone: text input field
- Address: text input field
- email: text input field
- username: text input field
- password: text input field
- Submit: button
- Cancel: button

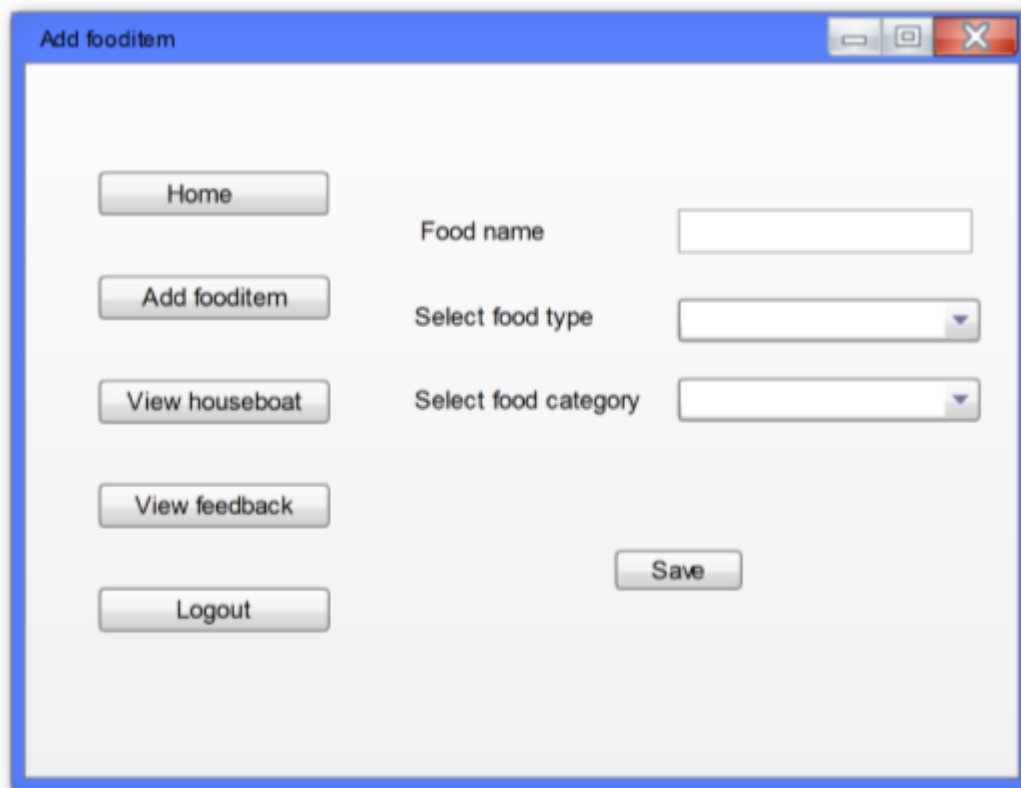

Figure 3: Add Houseboat

The image shows a software window titled "Add Houseboat" with a blue title bar and standard window controls (minimize, maximize, close). The window contains a form for adding a new houseboat. On the left side, there is a vertical column of five buttons: "Home", "Add houseboat", "View booking", "View feedback", and "Logout". The main area of the form contains five input fields, each with a label to its left: "Name of houseboat", "Description", "Number of rooms", "Image", and "Price". The "Image" field is a dropdown menu, and the "Price" field contains the text "Text". A "Save" button is located at the bottom center of the form.

Navigation Buttons	Form Fields
Home	Name of houseboat <input type="text"/>
Add houseboat	Description <input type="text"/>
View booking	Number of rooms <input type="text"/>
View feedback	Image <input type="text"/>
Logout	Price <input type="text" value="Text"/>
	Save

Figure 4: Admin Add fooditem

The screenshot shows a window titled "Add fooditem" with a blue title bar and standard window controls (minimize, maximize, close). The window contains a sidebar with five buttons: "Home", "Add fooditem", "View houseboat", "View feedback", and "Logout". The main area contains three labels with corresponding input fields: "Food name" with a text box, "Select food type" with a dropdown menu, and "Select food category" with a dropdown menu. A "Save" button is located at the bottom right of the main area.

Navigation	Form Fields	Action
Home	Food name: <input type="text"/>	Save
Add fooditem	Select food type: <input type="text"/>	
View houseboat	Select food category: <input type="text"/>	
View feedback		
Logout		

Figure 5: Feedback

The image shows a software window titled "Feedback". The window has a blue title bar with standard minimize, maximize, and close buttons. On the left side, there is a vertical sidebar containing five buttons: "Home", "Gallery", "Booking", "feedback", and "Logout". The "feedback" button is currently selected. The main area of the window contains a form titled "Feedback" with a large, empty text input box. At the bottom of the main area, there are two buttons: "Add" and "Close".
